## Preliminary Design for Replacement of Highway 401 Nudell Bush Road Underpass (G.W.P. 4243-15-00/W.P. 4285-15-01)

### THE PROJECT

The Ontario **Ministry of Transportation (MTO)** has retained **McIntosh Perry Consulting Engineers Ltd.** and **LEA Consulting Ltd. Joint Venture (MP-LEA Joint Venture)** to carry out the Planning and Preliminary Design in accordance with the Class Environmental Assessment (Class EA) for the replacement of Highway 401 Nudell Bush Road underpass in the Municipality of South Dundas.

### THE PROCESS

The Planning and Preliminary Design are following the approved planning process for a Group "B" project under the *Class Environmental Assessment for Provincial Transportation Facilities (2000)*. A Transportation Environmental Study Report (TESR) will be prepared to document the existing environmental conditions, summary of design features, potential impacts of the undertaking, and required mitigation procedures.

**The purpose of this notice is to invite you to participate in an online Public Information Centre (PIC) for this project.** The purpose of the PIC is to present the study process, approved plan, existing conditions and findings, and receive input on the proposed improvements within the study area. An online Public Information Centre (PIC) will be available on the project website ([www.401bridgeimprovements.com](http://www.401bridgeimprovements.com)) to provide information and allow opportunity for public input and comment. The PIC materials will be available for review and comment from January 6, 2020 to January 31, 2020. All comments received during this period will be reviewed by the project team and if a response is requested it will be provided within 10 business days after the final day of the online PIC. Comments will be received through the website or can be submitted to the contacts below. Please visit the project website [www.401bridgeimprovements.com](http://www.401bridgeimprovements.com) for project details and updates.
